

From Heard it in the Playground, by Allan Ahlberg

Adapted by Dylan

Heard it in the playground
You're it, you're it,
Don't hit,
.....OW !
Heard it in the playground
No I never, no I never!
Yes you did!
Heard it in the playground
Shoot, shoot shoot!
Gimme my ball back!
Throw it to me, throw it to me!
Heard it in the playground
Telling on you!

Heard it in the playground
Who likes sweets?
me, me, me!
Heard it in the playground
Look the gates are open!
Run, run, run!
Quick before they see us!
Come back children!
Come back children!
Oh we didn't make it!

Heard it in the playground
My dad says
Heard it in the playground
My mum says
Heard it in the playground
Dad says, mum says
Cousin in the country says
Uncle in the army says
Auntie in the army says
Auntie in the army says?
Auntie in the army says
Heard it in the playground
Who says? Who says?
Heard it in the playground

Sez who?!
