

Words Ending in se

In a **house** by a military **base** there were a lot of **nonsense chases** going on. **False** teeth were being lost. In another **house** a **horse** and a **mouse** were running around creating an emergency. At great **expense** a **dose** of medicine was given to the **loose horse**, the **mouse promised** not to do it again. I **sensed** things might get **worse**, but what **else** could happen? The situation was very **tense**! In **case** there was another incident, all the buildings had to be evacuated.....
