

# An Olympic Swimmer Came to our School

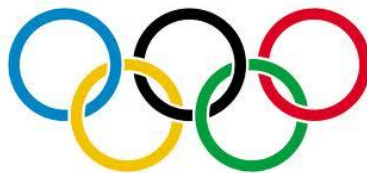

An Olympic Swimmer came to our school.

He had a Mohican.

When he went swimming he got free things to wear.

He was wearing them when he came to our school.

He said his pants had the Olympic Rings on them!

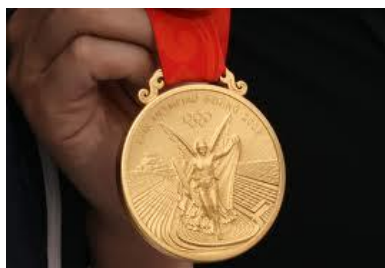

He showed us his gold medal.

He let Year R, Year 1 and Year 2 hold the gold medal.

It felt smooth and really hard, the chain was bumpy.

It looked like real gold!

He showed us a video of fast swimming.

He came first - even though he slipped on the mat!

He was doing butterfly.

I can do butterfly

(Well, I can kind of do butterfly because we are learning it)

And I can do front crawl.

It made me want to do my swimming lessons.

I went to my swimming lessons after school  
on the day the Olympic swimmer came to visit us.
